Stipulations

* This is a Preliminary quote effective 01/01/2022 - 12/31/2022. The situs state is Washington DC.
While we make every effort to honor the rates quoted (notwithstanding the other quote stipulations below), we reserve the right to change these preliminary rates and/or the plan designs quoted based on the final call letter from CMS and the actual National average Part D bid for 2022.
To ensure proper claim adjudication effective 01/01/2022, it is imperative that we have final 01/01/2022 plan design decisions from employers as soon as possible. Final decisions received after 11/1/2021 could be problematic in terms of claim adjudication on 01/01/2022.
These rates are quoted assuming our offering is alongside of another offering/another carrier.
If competing plans are offered to the retirees alongside our plan, the following predications apply: (i) All competing carriers must be offering a Rx benefit with coverage in gap as comprehensive as or better than UnitedHealth Group.(ii) Premium cost for each retiree must be equal to or lower for our plan than for any other plan. (iii) Our rates and/or plan design may be subject to change pending our final review of all competing carrier offerings.
This quote assumes that the employer pays 100% of the premium.
If members who have previously opted out are to be allowed back into the plan, then this fact must be disclosed at the time of quote.
If the enrollment were to change by more than +/- 10% from current enrollment, we reserve the right to adjust the rates.
Please note the following with regard to the drug coverage on these MAPD products: (i) We reserve the right to change our Part D formulary for calendar year 2022. We also reserve the right to change our pharmacy benefit manager and/or our pharmacy network for calendar year 2022. (ii) There is a specific, Part D drug formulary that applies to all of our MAPD plan offerings. (iii) All Part D prescription drug coverage is considered to be creditable, therefore Creditable Coverage Notices are not required.
United reserves the right to modify its 2022 rates in the event of changes to existing laws, regulations, or any new legislation, assessments, taxes, and/or marketplace changes to the Medicare Advantage and Part D programs that will have an impact to the program costs or revenue, including but not limited to: (i) the proposed changes to the Part D program (e.g. point-of-sale rebates); (ii) changes in the methodology used to calculate CMS payments including any changes due to EGWP bid waiver; (iii) any plan design changes required by the applicable regulatory authority (i.e. mandated benefits); (iv) any Force Majeure event, including but not limited to national pandemic, act of God, acts of terrorism, or anything beyond United's reasonable control; or (v) as otherwise permitted in our contract.
Quote assumes \$0.00 PMPM commission level.
1 Pre-65 Medicare eligible retirees are included.
The premium rate quoted herein assumes that premiums are due in full on a monthly basis on or before the last business day of the month
