**CHAIR REPORT**

Chair Clark stated that there is no written report. He then gave an oral presentation to the Trustees commenting on the following topics:

- The Trustee conference and training listing is available for viewing by Trustees in the Diligent Board book.
- Acknowledgement of everyone’s hard work in preparing and delivering the Actuarial Certification Letters to Chair of the Council, Chairman Phil Mendelson, and Mayor Muriel Bowser.
- Reappointment of Carmen Pigler, Ex-Officio representing the Chief Finance Office.
- Recognized the new leadership of Gianpiero “JP” Balestrieri, Executive Director, and staff with making great progress on several issues since his arrival in September 2021.

Chair Clark concluded his report and moved to the next item on the agenda.

**EXECUTIVE DIRECTOR’S REPORT**

Executive Director Balestrieri gave an oral presentation to the Trustees on the following topics:

- The Executive Director announced the full-time employees that were added and other agency activities since January Board meeting.
  - The Benefits Department has hired a Retirement Services Supervisor as of January 31, 2020, who was an internal Retirement Analyst; a Member Services Representative as of February 14; and a Senior Investment Strategist as of January 18. Also, an offer has been made to bring on a second Senior Investment Strategist.
  - The Procurement Office has been fully formed with new hires, Rashelle
Anderson, as Supervisor Contracting Officer, and a Contract Specialist who be joining the agency on February 28.

Munetsi Musara, Chief Financial Officer, welcomed Ms. Anderson, whom he stated brings a strong background of procurement experience to DCRB and will be a great asset to the Finance team. Rashelle Anderson introduced herself to the Trustees and stated she looks forward to partnering with everyone to ensure the execution of procurement and moving DCRB’s mission forward.

Trustee Blanchard asked Ms. Anderson where she worked prior to joining DCRB. Ms. Anderson responded that she previously worked at the Office of Contracting and Procurement (OCP), while supporting Health and Human Services (HHS), and has 23 years of experience.

- DCRB is ahead of schedule on the Annual Financial Report that is due March 31. The report should be sent to WatsonRice within the next couple of weeks.

- Signed off on behalf of DCRB as a signatory member of ILPA, supporting legislation that seeks the FCC rule making action, to require quarterly fees and expense reporting by private fund advisors. DCRB has drafted a Request for Proposal (RFP) for a vendor to provide investment fee validation and tracking services. The purpose is to have a tracking system for direct and indirect public and private manager fees, expenses, terms, and conditions, and increase transparency on a timely and periodic basis. The RFP is expected to be issued in the 2nd quarter of 2022.

Trustee Saunders asked why is there no written Executive Director’s report provided? Mr. Balestrieri responded that his oral report is reflected in the Board meeting minutes. Trustee Collins stated that prior practice dictates that a written report should be given by the Chair of the Board and the Executive Director. Chair Clark added the record would reflect that the Board should receive an Executive Summary of the Executive Director’s report. Mr. Balestrieri noted that he puts together a report at least seven days prior to the meeting of everything his team has worked on up onto the day of the Board meeting, to ensure a full status report is provided. Trustee Collins responded that it serves the Trustees better to have a written report in advance oppose to waiting for the minutes to be posted on the DCRB website. The Executive responded that he would provide an outline of the key items he will focus upon at each board meeting.

The Executive Director concluded his report and moved to the next item on the agenda.

**INVESTMENT COMMITTEE REPORT**
Committee Chair Bress stated that the Investment Committee did not meet on Thursday, February 17, 2022, so there is no report.

The next Investment Committee meeting will be held on March 17, 2022.

Chair Clark concluded the written report and moved to next item on the agenda.
OPERATIONS COMMITTEE REPORT
Committee Chair Nathan Saunders referred the Trustees to the written report provided in the Diligent Board book and noted there were no action items. He then highlighted several items in his report.

- Chair Saunders discussed the Committee’s work on the proposed revisions to the agency’s Procurement Rules which are directly aligned with the hiring of DCRB’s new procurement position with the work through Betty Ann Kane and the Executive Director.
- The Supervisory Contract Specialist position vacated in August 2018 was filled as of February 17, 2022.
- Memorandums of Understanding (MOUs) with OCTO have been completed and DCRB’s organizational chart was provided to trustees for review.

Committee Chair Saunders asked what the dotted line going from the Board to the General Counsel indicate on the organizational chart. Mr. Balestrieri responded that in the ordinary course of business the General Counsel reports to the Executive Director and provides legal services, advising to the agency as a whole and departments as internal clients on different legal issues, as it relates to contracts, procurement, RFP’s, litigation matters, investments, finance, and other divisions. The dotted line coming from the Board to the General Counsel is to display that the General counsel, upon consultation, review and approval with the Executive Director, will inform and advise Trustees on corporate governance and fiduciary issues. The main objective is to assure the Trustees have the informed consent to exercise their fiduciary obligations to the agency.

Committee Chair Saunders responded that the dotted line and the organizational chart has some implications for the Trustees as well to ensure the relationships are reciprocal and making sure certain things are handled by General Counsel.

Committee Chair Saunders concluded his written report and moved to next item on the agenda.

AUDIT COMMITTEE REPORT
The Audit Committee met February 11, 2022. Chair Clark referred the Trustees to the written report provided in the Diligent Board book.

The next Audit Committee meeting will be held on March 11, 2022.

Chair Clark commended the finance team, Executive Director, and staff for all the work that has been done to close the financial books for last year.

Committee Chair Harris acknowledged the Executive Director, Mr. Munetsi, and his team for making the process seamless and flawless. Trustee Harris also commented on the organizing and structuring of the Finance Department to getting the procurement authority back and resolving outstanding issues.
Trustee Adam Weers stated he found all the materials presented in the Audit committee meeting very useful, especially the detailed presentation on the investment management fees.

Chair Clark concluded the written report and moved to the next item on the agenda.

**BENEFITS COMMITTEE REPORT**
Committee Chair Collins referred the Trustees to the written report provided in the Diligent Board book. She then highlighted several items in the report.

Committee Chair Collins stated that police and fire members hired before November 10, 1996 will receive the 7.0% COLA increase and those hired after November 10, 1996, will receive 3.0% COLA increase effective April 1, 2022. Teachers hired before November 1, 1996, will receive 7.8% and after November 10, 1996, will receive 3.0% COLA increase effective April 1, 2022. The COLA end-year calculations for Police and Fire are October 30, and Teachers’ calculations are on December 31.

The self-service project is on track with the timeline given for participants to view information and make changes. Also, the benefit statement project is being well received by active personnel, participants, and beneficiaries. DCRB Pension Administrator Daniel Hernandez will provide a presentation on the Medicare Advantage program, which has very detailed information. There were three statistics presented over a three-year period on retirement, call center, and records. The Benefits Department is almost fully staffed with the help and support of the Operations team, Human Resources, and the Executive Director.

Committee Chair Collins concluded her written report and Trustees moved to next item on the agenda.

**LEGISLATIVE COMMITTEE REPORT**
Chair Clark stated there was no written report this month and asked Committee Chair Blanchard if his has any comments. Committee Chair Lyle Blanchard stated that the Performance Hearing is scheduled for Friday, February 25, from 10:30 a.m. – 3:00 p.m.

Betty Ann Kane stated that DCRB is scheduled to testify at the Budget Hearing on March 22, 2022.

Committee Chair Blanchard asked if a draft of the questions could be sent to review before the hearing. Mr. Balestrieri responded that a draft will be provided.

Committee Chair Blanchard concluded his written report and Trustees moved to next item on the agenda.

Chair Clark made the following motion to close the meeting at 2:00 p.m.

SUBJECT: BENEFITS COMMITTEE REPORT

The Benefits Committee did not meet this month. Please note that this report only highlights the current projects of the Benefits Department. The monthly statistics are not available until the 10th of each month, and they go through a process of review before they are published. The final statistics are not included in this report at time of this publication but will be included in the Diligent Application before the Board Meeting.

Operational Projects

Benefits Statements - The Benefits Statements (Statements) project kicked off this month, slightly behind schedule due to securing of full-time DCRB procurement staff to guide us through our options in the Bolton contract. We anticipate that active members will be mailed the Statements in early June. Like last year, additional communication and copies of the statements will be provided to the three Human Resources Departments. DCRB will also be updating our website to announce the date that these Statements will be mailed and to provide answers to common questions about this project.

Annual Income Verification - Each year, certain disabled participants are required to verify their income to ensure that any required adjustments to their annuity amounts can be made. We have begun the process for this year, and we sent out notifications to the covered population of participants (70) in early March. The due date for member compliance with this project will again be May 31st, with a non-compliance suspension date of August 1, 2022.

Annuitant Self Service - The full launch for the annuitant Self Service Project is scheduled for Monday, April 4, 2022. The first group that will be allowed to access the self-service portal will be retired members of the Fire and Emergency Medical Services Department receiving a pension through DCRB. Treasury’s Office of DC Pensions has agreed to mail out correspondence to these members (approximately 2,000) at the end of March, and DCRB is staffing up our call center in anticipation of increased call volume. DCRB will update the website with communications, FAQs, help guides, and other important links. DCRB will also reach out to member groups and update communications to new retirees so they will know this is now an option available to them. In May and June, the same communications and final roll-out for self-service will be offered to Police and Teachers, respectively.

Annual COLA Process. In close coordination with our partners at ODCP and DCHR, the COLAs were successfully implemented in March and members will receive increases to their annuity on April 1, 2022. Additional information about the adjustments can be found at https://dcrb.dc.gov/release/2022-cola-notices-dc-public-school-teachers-police-officers-and-firefighters-are-available.
**Organization Outreach**

*Retired Firefighter’s Association (Association) of Washington DC* – The Pension Administrator met with the association members at their monthly meeting on March 7, 2022. Topics such as new technology being launched to help members, interrelations between the Association and other District agencies, and member questions were addressed. As new member tools are launched, communication and outreach will continue with the Association.

*District of Columbia Human Resources* – Two meetings were held this month with DCHR to discuss their role and clarification of rules for healthcare issues. At these meetings, member issues regarding coverage were resolved and clarity related to each agency’s responsibly regarding roles and rule interpretation/autonomy were discussed.

*District of Columbia Public Schools (DCPS)* – Meetings were held this month to discuss the departure of two key members of the DCPS staff and the impact of those departures on DCRB. We will continue to work to support DCPS and DCHR is also involved in these conversations. In addition to supplying information to DCRB in a timely manner, member communications at hire and offboarding continues to be areas in need of improvement at DCPS.

*Fire and Emergency Medical Services (FEMS) New Hires Orientation* – DCRB has continued our information sharing partnership with DC FEMS Human Resources and on Monday, March 14, 2022, DCRB staff virtually presented a retirement plan overview and other benefit information to FEMS new employees who were physically located at the Fire/EMS Training Academy.
