CHAIR REPORT

Chair Bress referred trustees to his written report and commented on the following topics:

- **In-Person Board Attendance:** Board meetings will continue virtually as well as in-person meetings. Those who want to meet in the Board room are welcome to do so, please let staff know.
- **Updates on Investments:** Over the last year our Fund has returned 12.5%, recovering from the lackluster return in 2023. This year we continue to enjoy a positive return, probably as a result of an anticipated reduction in inflation and up to six rate cuts this year. That expectation has been reduced to a possibility of two or three rate cuts as a result of inflation ticking up slightly from 3.1% to 3.2%. According to reports the Fed previously expected the inflation rate to fall to about 2% by the end of next year.

Yesterday the Fed indicated that three rate cuts are in its projections this year. Therefore, there is no rate cut now and experts anticipate the first-rate cut would not occur until June.

In the first quarter of this year the market rebounded well, but has slowed down awaiting the Fed report. We of course will join the Fed in a wait and see how the economy reacts and affects our Fund investments and returns.

- **Board Officers Elections:** Board officer elections will occur today during Other Business. The positions are Chair of the Board, Vice Chair/Secretary of the Board, and Treasurer/Audit Committee Chair. An overview of the process is attached.

- **Financial Disclosures Statements:** By statute, trustees are required to file annual financial disclosure statements with the Mayor and the Council of the District of Columbia by April 30, covering the prior calendar year. The fillable pdf disclosure form will be emailed to trustees. Please return it via email to Emily Bowie (emily.bowie@dc.gov) by (April 15). Trustees will also be asked to sign an internal Fiduciary Acknowledgement Form affirming their understanding of their fiduciary duties.
- **Next Board Meeting:** The next meeting will be held on May 16, 2024 and during the month of April committee meetings will occur.
- **Board Motions:** As a reminder, when voting on Board motions and resolutions, individual voice votes are required.
- **Member Complaints:** Trustees who receive any complaints or concerns from Retirement Plan members should forward those complaints to the Executive Director and the appropriate DCRB department head.

During the Board meeting, Trustee Mary Collins contested the minutes from January. She stated that tallies 4, 5, and 6 indicate she was absent, while she maintains she was present. Chair Bress assured her that the minutes would be examined, and any necessary corrections would be made.

Trustees moved to the next item on the agenda.

6. Performance Hearing Update

On February 29th, 2024 we presented our testimony before the DC Council Chair Mendelson. It lasted about 35 minutes and there weren't any follow up questions or requests for DCRB from the Council Chair. Moreover, the Council Chair complimented DCRB on its effective operational stability over the last two years.

7. Asset-Liability Study Update

DCRB will be conducting an Asset-Liability Study that is typically conducted periodically to ensure that DCRB's investment strategy remains aligned with the fund's long-term goals, obligations, and evolving market conditions. It serves as a valuable transparency tool for the trustees to make informed decisions about investment allocations and risk management strategies. The industry best practice is to complete an ALM study every 3-5 years. The Board last completed such an analysis ten years ago.

Trustee Collins expressed satisfaction with the Investment department's management of the Fund. She then inquired about receiving the Governance Manual and a report on DCRB's matching 401(a)/457(b) plan for DCRB staff. Executive Director, Mr. Balestrieri, informed her that the Governance Manual was already uploaded to the Diligent Board book for all trustees' access. He offered to have a physical copy printed and expedited via FedEx, and additionally, HR would provide a copy of the staff 401(a)/457(b) plan document.

..

Trustee Lyle Blanchard stated that during the Performance Hearing discussion, Chairman Phil Mendelson requested a breakdown of all contracts exceeding \$1 million and copies of pleadings for the pending class action lawsuit to be sent to the Committee of the Whole. Chair Bress clarified the request, specifying contracts with a value of over \$1 million. The Executive Director confirmed there weren't any contracts exceeding this threshold currently. This information, along with a written response, would be provided to the Committee of the Whole. Trustee Collins sought clarification on the request: whether it was for signed contracts or those exceeding \$1 million spent in a year. Chair Bress responded that DCRB hadn't signed any contracts with an annual spending of \$1 million. He explained the Jones Day litigation agreement is

an hourly retainer agreement, not a fixed amount, and based on services rendered, not a specific timeframe. Mr. Balestrieri concurred, stating it was a legal service agreement with hourly billing, lacking a predefined duration or total cost.

Trustees moved to the next item on the agenda.

LEGAL DEPARTMENT REPORT

Emily Bowie, Interim General Counsel, referred the Board to the written report, which highlighted the following:

ANNUAL FINANCIAL DISCLOSURE: By statute, trustees are required to file annual financial disclosure statements with the Mayor and the Council of the District of Columbia by April 30, covering the prior calendar year. The fillable PDF disclosure form will be emailed to trustees. Please return it via email to Emily Bowie (emily.bowie@dc.gov) by mid-April (April 15) and she will arrange the requisite notarization and filing. Although not part of the filing requirement, Trustees will also be asked to sign an internal *Fiduciary Acknowledgement Form* affirming their understanding of their fiduciary duties.

BENEFITS LITIGATION UPDATE

Pearson v. District of Columbia Retirement Board et al., No. 1:23-cv-03597 (D.D.C. 2023): DCRB, along with Mayor Bowser and Chairman Mendelson, are named as defendants in a lawsuit seeking damages arising out of DCRB's alleged negligence in disenrolling the member from a certain health care plan. DCRB's records indicate that the member is still enrolled in the health care plan in question. The Plaintiff filed the Complaint *pro se* (i.e., without the assistance of counsel). DCRB has not been properly served with the Complaint. On March 19, 2024, DCRB filed a dispositive motion asking that the case be dismissed.

Trustee Collins requested uploading confidential legal documents and pleadings to the Trustees-only section of the Diligent board book, to reduce the paper burden. Ms. Emily Bowie, Interim General Counsel, readily agreed. Trustee Nathan Saunders then inquired about the Pearson vs. District of Columbia case. Specifically, he wanted to know if the plaintiff was a retired police officer, firefighter, or teacher, and had applied for health benefits and their current plan membership. Ms. Bowie explained that the plaintiff, a retired teacher, was and still is enrolled in the Kaiser Self + 1 plan. She elaborated that DCRB regularly informs members of their option to change plans if needed and had provided the plaintiff with information on how to do so, if he chose several times over the past several years. While there seems to be a coverage dispute with a medical provider, the plaintiff hasn't submitted any documentation to formally change his plan selection.

Trustees moved to the next item on the agenda.

Operations Committee Report

Committee Chair Saunders reported that the Operations Committee did not have a February 2024 meeting. The next Operations Committee meeting is scheduled to be held on Tuesday, April 16, 2024, at 1pm.

This concludes my report.

Trustees moved to the next item on the agenda.

BENEFITS COMMITTEE REPORT

Committee Chair Gregg reported that The Benefits Committee did not meet this month, but they did meet in February 2024. The next Benefits Committee meeting is scheduled for April 11, 2024, at 10 a.m.

2024 Annual Cost of Living Adjustments (COLA) Processing - In close coordination with our Office of DC Pensions (ODCP) partners, the COLAs were processed for eligible participants and survivors. Members will see the COLA increase on their April 1, 2024 payment. DCRB posted the COLA notices on the agency website. Members and survivors will receive their increase based on their date of hire and their retirement plan:

Police and Fire Annuitants and Survivors

Hired before November 10, 1996:	3.4%
Hired on or after November 10, 1996:	3.0%

Teachers, Annuitants and Survivors

Hired before November 1, 1996:	3.3%
Hired on or after November 1, 1996:	3.0%

Trustee Saunders inquired about the standard in the COLA increase calculation between Police & Fire and Teachers. Mr. Daniel Hernandez, Pension Administrator, clarified that the Consumer Price Index for Urban Consumers (CPI-U) is used for Police and Fire, while the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) is used for Teachers. He confirmed this approach is aligned with DCHR (District of Columbia Human Resources).

Trustee Collins requested a detailed report on health and life insurance enrollment. The report should break down enrollment numbers by plan (health and life), categorize enrollees as Police & Fire or Teachers, and include an age breakdown for the health plan. Additionally, she inquired about the handling of premium overpayments and underpayments for annuitants. Mr. Hernandez clarified that DCRB cannot directly address overpayments and underpayments, as these decisions fall under the purview of DCHR and OPEB (Office of Personnel and Employee Benefits). DCRB serves as an administrator, not the plan sponsor. He

confirmed

he could provide an analysis of the health plan by total enrollees (Teachers and Police & Fire) categorized by age. However, for life insurance, he could only report the number of impacted individuals. He emphasized that DCRB is not responsible for resolving premium discrepancies and any liabilities fall under OPEB.

Trustees moved to the next item on the agenda.

AUDIT COMMITTEE REPORT

Chair Bress stated that in the absence of Committee Chair Harris he will be providing the report for Audit Committee for March 21, 2024. The Audit Committee met on February 22, 2024 and the following items were presented:

The budget vs actual report as of January 31, 2024:

- 81% of the original budget is available
- Trustee Collins requested additional detailed information that was loaded into Diligent for review on February 26, 2024
- Internal Auditor Report
 - Benefits Internal Audit Findings: Mitigation status
 - Current Year Internal Audit status update

The next Audit Committee meeting will be scheduled for April 23, 2024.

Mr. Paul Gormley, Director of Internal Audit and Compliance, provided an update on the internal audit plan, indicating good progress

Trustees moved to the next item on the agenda.

LEGISLATIVE COMMITTEE REPORT

Committee Chair Blanchard report the following report reflects activities of interest since the January 18, 2024 Board Meeting:

COUNCIL OF THE DISTRICT OF COLUMBIA

Legislation

D.C. Act 25-0361 – Retired Firefighter and Police Officer Temporary Amendment Act of 2023

This temporary legislation enacts the Retired Firefighter and Police Officer Redeployment Temporary Amendment Act of 2023 that was introduced by Councilmember Henderson in late 2023. Under the legislation, the Director of the Office of Unified Communications may rehire police officers who have retired from the Metropolitan Police Department (“MPD”) and firefighters who have retired from the Fire and Emergency Medical Services Department (“FEMS”) as temporary full-time or part-time 911 call takers or 911 dispatchers. The legislation further amends the Policemen and Fireman’s Retirement and Disability Act of 1916 to clarify that the salaries of these redeployed police officers and firefighters will not be reduced by the amount of their monthly retirement annuities. In other words, these temporary workers will receive both their monthly retirement benefits and their full District salaries in them rehired positions. They will not, however, receive any additional service credits or benefits under the District of Columbia Police and Firefighters’ Retirement Plan for the service they are rehired to perform.

The legislation is effective from March 1, 2024 through October 12, 2024. Legislation that would make these provisions permanent is under council review (B25-0610). A public hearing on Bill 25-610 was held on January 11, 2024 by Councilmember Anita Bonds' Committee on Executive Administration and Labor. No word yet on when the Bill will be voted out of the Committee.

Transmission

Inspector General Report – District of Columbia Teachers' Retirement and Police Officers and Firefighters' Retirement Funds Financial Statements and Independent Auditor's Report for Fiscal Years 2023 and 2022 (OIG No. 21-1-18MA). On February 1, 2024, the Office of the Inspector General ("OIG") submitted the financial statements and independent auditor's report for the District of Columbia Teachers' Retirement and Police Officers and Firefighters' Retirement Funds (the "Funds") for fiscal years 2022 and 2023 to the Office of the Secretary to the Council. OIG contracts with McConnell Jones, LLP (MJ) to audit the District of Columbia's general-purpose financial statements for fiscal year 2023. MJ is contractually required to review the work papers of Watson Rice, LLP (Watson Rice), which audited the Funds for DCRB. MJ concurred with Watson Rice's opinion and conclusion "that the financial statements are presented fairly in all material respects, in accordance with accounting principles general accepted in the United States of America."

As reflected in the OIG's report, the Funds held approximately \$10.5 billion and \$9.4 billion in net assets as of the end of fiscal years 2023 and 2022, respectively. Employer contributions in fiscal year 2023 totaled \$125.3 million, a decrease of \$58.7 million from the fiscal year 2022 amount of \$184 million. Plan member contributions in fiscal year 2023 totaled \$102.9 million, an increase of \$19 million over the fiscal year 2022 amount of \$83.9 million. As of September 30, 2023, the Teachers' Retirement Fund was 89.3% funded and the Police Officers and Firefighters' Retirement Fund was 104% funded.

**Chair's Report
 May 16, 2024**

TOPIC	UPDATE
In Person Board Attendance	The Board meetings will continue to be virtual as well as in-person meetings. Those who want to meet in the Board room are welcome to do so, please let staff know.
Updates on Investments	<p>With the up and down of inflation and unemployment rates over the last several months, the Fed has slowed its determination for a rate cut this year. Our Fund continues with a positive return, even as the economy has been bumpy. Our return has been 0.7% for the calendar year through April 30 and 7.9% over this fiscal year. Our result this year and fiscal year reflects the activity in the markets based on the economic forecasts.</p> <p>Yesterday inflation was reported as lower than a year ago, 3.4% in April. The Fed Chair on Monday said that he expects the inflation rate to lower as the year goes on, but is still apparently pessimistic about the outlook, according to the Wall Street Journal. As reported, rent and gasoline price increases continue to adversely affect the inflation rate. So, there probably will not be a rate decrease until September at the earliest.</p> <p>On a personal note, I thank Chairman Mendelson and the DC Council for the confidence they have placed in me by renewing my term on the Board until January 2028.</p> <p>Our work is cut out for us to maintain our 6.25% rate of return to maintain our 100% actuarially funded Plan. I look forward to working with you to achieve our goals. Both the retirees and employees of the District depend on our success.</p>
Trustee Elections	It's that time again!! Trustee elections will be held this summer for the Active Firefighter, Retired Police Officer, and Active Teacher positions on our Board of Trustees. As in the past, the process will begin in a few months and the winners will be certified in December. The new terms will begin on January 28, 2025.
Chair Committee Appointments	Committee assignments have been completed, the Trustee Committee Listing will be uploaded in the May Board book in Diligent for review and your records. If you have any questions or concerns, please let me know.

<p>Reminder</p> <p>Waiver of Recourse Insurance Coverage</p>	<p>Your waiver of recourse insurance payment for 2024-2025 in the amount of \$50.00 for the Trustees, Executive Director, Chief Investment Officer, and Chief Financial Officer is due by May 26, 2024. The check, payable to RCM&D, should be mailed to DC Retirement Board 900 7th Street NW 2nd FL Washington, DC 20001 Attn: Finance Department, Rhonda O'Neal. If you have any questions, please don't hesitate to contact Rhonda O'Neal at Rhonda.Oneal@dc.gov.</p>
